File No. EB-14-MD-008

Docket No. 14-218

**JOINT MOTION TO DISMISS FORMAL COMPLAINT**

Complainants, four Pennsylvania and West Virginia operating subsidiaries of Frontier Communications Corporation (“Frontier”), and the above-named Respondents, five operating subsidiaries of FirstEnergy Corporation (“FirstEnergy”), by and through their respective undersigned counsel, jointly move for dismissal of the above-captioned complaint with prejudice. In support thereof, FirstEnergy and Frontier states as follows:

1. Frontier filed a Pole Attachment Complaint in the above-captioned proceeding on June 11, 2014 (“Complaint”).

2. Frontier and FirstEnergy have settled the dispute giving rise to the Complaint. Accordingly, Frontier and FirstEnergy have agreed to seek dismissal with prejudice of the Complaint as to all claims and defenses asserted therein, in order to dispose of all issues and controversies in the Complaint.

3. Under these circumstances, the parties respectfully submit that dismissal with prejudice is both necessary and appropriate. Dismissal of the Complaint will serve the public interest by eliminating the need for further litigation and the expenditure of the associated time and resources of the parties and the Commission and will promote the private resolution of disputes.

WHEREFORE, Frontier and FirstEnergy jointly move for dismissal of the Complaint with prejudice.

Respectfully submitted,
